- Electronic Data Interchange
- Web.Orders
- Commerce Connector

Exact Macola's e-Commerce strategy is focused on allowing you to expand your channels to sell to new customers and develop more effective business relationships. Our integrated e-Commerce system serves as the front end system to allow customers to process their own transactions in both Business-to-Business (B2B) as well as Business-to-Consumer (B2C) environments. Our e-Commerce solution is tightly integrated with our back office system, providing you end-to-end integrated solution with an edge.

Founded in 1971 and headquartered in Marion, Ohio, Exact Macola Software is part of a €206.3 million organization with more than 1,800 employees and 170,000 customers worldwide who are managing more than \$400 billion annually using our software.

Exact Macola's award winning history is a long one, beginning with the 1987 *PC Magazine/Price Waterhouse* Editor's Choice Award for Accounting Solutions for LANs. That winning tradition continues today with an award from *Accounting Today* magazine as one of its 2002 Top 100 Software Products. Exact Macola also was included in *Manufacturing Systems'* list of the "Top 100 Manufacturing Software Vendors" for 2001. Exact Macola was named a 2001 Software Leader by *Managing Automation* magazine. The company was chosen as one of *Frontline Solutions* magazine's "Top 100 Frontline Companies" for 2001. And, the *CPA Software News* recognized Exact Macola's software as one of the magazine's "Manufacturing Top 5" for 2001.
